Letter from Committee Chairman

On behalf of the Valley Alliance of Mentors for Opportunities and Scholarships (**VAMOS**) Board of Directors, we would like to invite you to the **VAMOS** 25th Annual Progressive Tee Time Tournament, taking place on Saturday, March 6 and Sunday March 7, 2021 at the Palm View Golf Course in McAllen, TX!

VAMOS is a 501 ©(3) non-profit that is dedicated to making the dream of a college education a reality for graduating high school seniors of the Rio Grande Valley. We achieve this by awarding four-year renewable scholarships to college-bound youth, thereby increasing the number of students prepared for, enrolled in and completing a post-secondary education debt free.

Since 1996, VAMOS has awarded over \$21 Million in four-year renewable scholarships to 900 students in Hidalgo, Cameron and Starr Counties. Our VAMOS Scholars attend universities across the nation and graduate with degrees in various fields of study. Our program is unique because it provides mentoring to its students; a vital component to student success. VAMOS encourages you to be part of our organization as a member, sponsor, mentor, or advocate to promote early college awareness.

As COVID-19 continues to spread, the future has never felt so unpredictable. These are challenging times for us all. Right now, we're doing everything possible to meet our mission that is dedicated to making the dream of a college education a reality for graduating high school seniors in our area. We achieve this by awarding four-year renewable scholarships to college-bound youth, thereby increasing the number of students prepared for, enrolled in and completing a post-secondary education debt free. Now, more than ever, our community needs us. And we need you. We encourage you to be part of our organization as a member, sponsor, mentor, or advocate to promote early college awareness.

We would like to thank you for your time and continued support! Your contributions make a difference and we look forward to your partnership.

Dr. Armando Moncada
