Letter from Committee Chairman

On behalf of the Board of Directors for the Valley Alliance of Mentors for Opportunities and Scholarships (VAMOS), we extend an invitation to be part of our upcoming Annual VAMOS Golf Tournament on Saturday, March 2, 2024, at Champion Lakes Golf Course in McAllen, Texas.

The VAMOS Annual Golf Tournament has been a tradition that we are proud to uphold, as it serves a noble purpose. Each year, we come together to raise scholarship funds for economically disadvantaged students. The pursuit of education is a powerful tool for these deserving young students to overcome financial barriers and achieve their dreams.

VAMOS is a 501 c3 non-profit organization founded by local business leaders in 1996 in response to the low university graduation rate among students in the Rio Grande Valley. Since its inception, VAMOS has awarded \$25 million in scholarships to 1,187 students. We award four-year renewable scholarships to eligible students and pair them with mentors who maintain communication and support throughout their college journey. This has proven to be successful as the graduation rate among VAMOS Scholars is 96 percent, and they attend universities locally, across Texas, and some out of state.

As a sponsor, you will receive several benefits, including prominent recognition in all event materials, social media coverage, and the awards ceremony. We have outlined various sponsorship levels to accommodate your preferences (see sponsorship opportunities), and we would be more than happy to discuss them with you in detail.

This event promises to be a day of fun, camaraderie, and philanthropy. It will include the golf tournament (AM and PM flights), an awards luncheon for the morning flight, an awards dinner for the afternoon flight, and the Lexus drawing. We would be honored to have you join us in this exciting endeavor. Please see detailed information in this brochure.

Thank you for considering our invitation, we look forward to your positive response. Together, we can make a difference in the lives of these bright and deserving students.

Dr. Armando Moncada
