## Letter from Committee Chairman

On behalf of the Board of Directors for the Valley Alliance of Mentors for Opportunities and Scholarships (VAMOS), we invite you to sponsor the 29th Annual VAMOS Golf Tournament, scheduled for Saturday, March 1, 2025, at the beautiful Champion Lakes Golf Course in McAllen, Texas.

This annual golf tournament is more than just a day of golf; it's an opportunity to significantly impact the lives of deserving students from low socioeconomic backgrounds in the Rio Grande Valley. The proceeds from this event will go directly toward providing four-year renewable scholarships, helping students overcome financial barriers to complete a bachelor's degree.

Your sponsorship would contribute to a worthy cause and provide your company with excellent visibility and networking opportunities among community leaders, business professionals, and fellow philanthropists. We offer several sponsorship levels, each with unique benefits that showcase your commitment to education.

Your support will make a tremendous difference in the lives of our students, enabling them to access the educational opportunities they deserve and empowering them to become successful professionals and leaders in our community.

Sponsors will receive prominent recognition in all event materials, social media coverage, and at the lunch/dinner awards ceremony. Please see the various sponsorship levels and benefits in this brochure. This event will be a day of fun, camaraderie, and philanthropy. It includes morning and afternoon flights, an awards lunch/dinner, a drawing for a 2025 Lexus, and other prizes. We would be honored to have your company join us for this exciting event.

Founded in 1996 by local civic and business leaders with a noble mission of breaking down barriers to higher education for students from low socioeconomic backgrounds. VAMOS has awarded over \$25 million in scholarships to more than 1,250 students and has evolved into a transformative force, empowering students to pursue their dreams and build a brighter future. The graduation rate among VAMOS Scholars is 96%, and they attend universities locally, across Texas, and out of state.

Thank you for considering this invitation. Together, we can continue to bring life-changing opportunities to students in the Rio Grande Valley.

**Dr. Amando Moncada**

VAMOS Golf Committee Chairman
